The procurement documents are available for unrestricted and full direct access,

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically

Tenders or requests to participate must be submitted to the abovementioned address

**I.6) Main activity**

Electricity

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title:**

30.000.000

Reference number: DKK

**II.1.2) Main CPV code**

42100000 Machinery for the production and use of mechanical power

**II.1.3) Type of contract**

Supplies

**II.1.4) Short description:**

---

The Contract is for the delivery of a Sea Water Cooling System to the Contracting Entity for the Project SKV40 New Turbine at Skærbækværket.

The Sea Water Cooling System comprises a new approximately 25m long DN2400 pipe connection to an existing DN2800 sub ground sea water cooling pipe and approximately 25000 m<sup>3</sup>/h sea water for a new turbine plant shall be filtered and pumped in booster pumps before being led to the new SKV40 turbine sea water cooled condenser in the nearby turbine building. The Contractor will have the overall responsibility of the Sea Water Cooling System and consequently the scope will include Engineering (e.g. process, hydraulic, static) and project management of the Contract.

The supply must in its entirety comprise all components and services within the supply limits which are necessary for the plant to comply with the functional requirements stated in the tender documents.

II.1.5) **Estimated total value**

II.1.6) **Information about lots**

This contract is divided into lots: no

II.2) **Description**

II.2.2) **Additional CPV code(s)**

42120000 Pumps and compressors

42122160 Cooling pumps

44163140 Steam and water pipes

II.2.3) **Place of performance**

NUTS code: DK04 Midtjylland

II.2.4) **Description of the procurement:**

The Contract is for the delivery of a Sea Water Cooling System to the Contracting Entity for the Project SKV40 New Turbine at Skærbækværket.

II.2.5) **Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) **Estimated value**

II.2.7) **Duration of the contract, framework agreement or dynamic purchasing system**

End: 02/03/2026

This contract is subject to renewal: no

II.2.9) **Information about the limits on the number of candidates to be invited**

Maximum number: 5

Objective criteria for choosing the limited number of candidates:

If the number of Applicants applying for prequalification exceeds the number set out above, prequalification will be based on an evaluation of the following:

Evaluation of the Applicants Economic and Financial capacity will be based on assessment of:

- (a) Capital structure, in prioritized order consisting of Order amount to equity, Solvency ratio, and (i) Debt to equity and (ii) debt to earnings
  - (b) Liquidity, in prioritized order consisting of Current ratio (current assets / current liabilities), Change in net working capital (change in inventory and change in trade receivables subtracting change in trade payables) (based on both signed and approved annual reports)
  - (c) The following three criteria has the same weight: Profitability, Current ratio (the oldest of the two latest signed and approved annual reports), Profitability (the oldest of the two latest signed and approved annual reports).
- Experience: The Applicant's experience will be based on the information submitted and will be an overall assessment taking into account similarity to the Scope of Goods.
- QHSE: The evaluation will be an assessment of the information submitted on the applicant QHSE management systems including an assessment of whether the applicants has a certified or non-certified QHSE management systems in place.

**II.2.10) Information about variants**

Variants will be accepted: no

**II.2.11) Information about options**

Options: no

**II.2.13) Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

**II.2.14) Additional information**

The Contracting Entity has chosen not to divide the tender into additional lots for reasons of economies of scale and to limit transaction costs, coordination of interfaces and contract administration.

**Section III: Legal, economic, financial and technical information**

**III.1) Conditions for participation**

**III.1.2) Economic and financial standing**

Minimum level(s) of standards possibly required:  
No requirements of this kind

**III.1.3) Technical and professional ability**

List and brief description of selection criteria:

Applicants are encouraged to submit references demonstrating experience with supply of major sea water cooling applications as well as similar large water transport system from 2013 to Prequalification Deadline.

Applicants are encouraged to include the following information for each reference:

- Project name
- Project location
- Name of customer
- Date of initiation and final delivery (day, month, year)
- A short concise description of the deliveries including description of Applicants' role and responsibility in the project.

Minimum level(s) of standards possibly required:

The Applicant must have at least 1 (one) reference showing past experience in providing large (more than 6.000 m<sup>3</sup>/h) sea water cooling plants or similar water transport and handling systems.

**III.2) Conditions related to the contract**

**III.2.2) Contract performance conditions:**

---

The Contract is based on AB-ME 20 with the Contracting Entities supplementary amendments.

#### **Section IV: Procedure**

##### **IV.1) Description**

###### **IV.1.1) Type of procedure**

Negotiated procedure with prior call for competition

###### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

###### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

##### **IV.2) Administrative information**

###### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date: 15/08/2023

Local time: 12:00

###### **IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates**

Date: 22/08/2023

###### **IV.2.4) Languages in which tenders or requests to participate may be submitted:**

Danish, English

###### **IV.2.6) Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 3 (from the date stated for receipt of tender)

#### **Section VI: Complementary information**

##### **VI.1) Information about recurrence**

This is a recurrent procurement: no

##### **VI.3) Additional information:**

##### **VI.4) Procedures for review**

###### **VI.4.1) Review body**
