2. Procedure

2.1 Procedure

Title: Human Papillomavirus Vaccine (HPV) 2024-2026 (2026-2027 and 2027-2028)

Description: The Ministry of Social Affairs and Health (hereinafter "STM") and Finnish institute for health and welfare (hereinafter "THL" or "Customer") request your tender for Human Papillomavirus Vaccine belonging to the National Vaccination Programme in Finland. The contract period is about two years 06/2024 - 05/2026. The procurement contains two options to extend the contract for the periods 06/2026 - 05/2027 and 06/2027 - 05/2028. Estimated quantity for the contract period including options is 480,000 doses. Customer reserves the right to increase or decrease the ordered numbers of doses by up to 20%. The contract will be awarded to one Supplier based on a comparison of tenders. Tender that is economically the most advantageous will win the competition. Please note that all times given in the Call for Tender refer to local time in Finland. Call for Tenders, annexes: Annex 1 Grounds for decision HPV vaccine Annex 2 JYSE 2014 Supplies (updated version of April 2022) Annex 3 Handi Annex 4 Contract

Procedure identifier: d930c52a-3b4f-4004-8c93-c57c008a4917

Internal identifier: THL/1106/2.02.06/2023

Type of procedure: Open

The procedure is accelerated: No

Main features of the procedure: An open procedure is applied. The procurement will take place in compliance with the Directive 2014/24/EU on public procurement and the Finnish Act on Public Procurement and Concession Contracts (1397/2016). The estimated value of the procurement will exceed the EU threshold value. In case none of the tenders received meets the requirements of the Call for Tender as intended by the Customer, or if conditions change during the procurement process so that the Customer will be unable to make use of the results of the competitive bidding, the Customer may interrupt the procurement procedure. No compensation will be paid to the tenderers for preparing a tender, presenting it or other participations in the procedure. The Call for Tender documents are available in English.

2.1.1 Purpose

Nature of the contract: Supplies

Main classification (cpv): 33651600 Vaccines

Additional classification (cpv): 33650000 General anti-infectives for systemic use, vaccines, antineoplastic and immunomodulating agents

Additional classification (cpv): 33651000 General anti-infectives for systemic use and vaccines

2.1.4 General information

Additional information: The purpose of STM and the Customer is to procure Human Papillomavirus Vaccine required for the National Vaccination Programme in Finland. The tendered vaccine must be suitable for children aged 10 or older. Syringes without fixed needles are preferred. This procurement is not divided into separate lots. The vaccines are intended for the National Vaccination Programme for use by wellbeing services county and eventually municipalities and thus the need to coordinate the various contracting partners of separate lots could jeopardise the proper implementation of national immunization programme. More information about National Vaccination Programme and vaccinations can be found on the website of the National Institute for Health and Welfare: The Customer will implement the procurement on behalf of STM. The roles of STM and Customer are described in more detail in section "Presentation of the contracting authority". The subject of procurement and the mandatory requirements relating to it are described in detail in this Call for Tender and its annexes. The contract will be awarded to one Supplier based on a comparison of tenders. CONTRACT PERIOD The contract's duration is about two years. Estimated quantity for the contract period is 240,000 doses. The customer reserves the right to increase or decrease the ordered numbers of doses by up to 20%. The Contract period shall enter into force once the contract has been signed, and expire when all contractual duties have been performed. After the contract period, the Customer reserves the right for the option described in section "Description of renewals". Tenders will be compared in the manner described in section "Grounds for decision" of the Call for Tender.
