List and brief description of selection criteria:

Tenderers must list up to three (3) references that meet the minimum requirement described below.If more than three (3) references are provided, the contracting authority will only evaluate the three (3) most recent references. Most recent refers to references with an end date closest to the time limit for submission of tenders. If several references are unfinished, the contracting authority will evaluate the references with the latest start date.The tenderer must click the "+" icon to be able to fill in more references.The references must all have occurred within the last three (3) years, calculated from the time limit for submission of tenders.The contracting authority will disregard references that have been completed more than three (3) years before the

---

time limit for submission of tenders. For references with a start date that is older, but where services (part tasks) have been completed within the past three (3) years, the contracting authority will only assess the services (part tasks) that the tenderer has completed within the past three (3) years counted from the time limit for submission of tenders. It is the tenderer's responsibility to specify the content of the reference so that it is clear which services (part tasks) are involved. The references must contain the following: Description: Description of the products delivered with a focus on the elements that make the reference fit in relation to the minimum requirements below. The description can also state the period(s) in which the service was performed (start and end dates).&nbsp;Amount: The value of the service in DKK, i.e. the amount that the customer has paid to have the products delivered.&nbsp;Date: Date of start-up (start date) and date of completion (end date) of the delivery listed under "Description". For references that have not yet been completed, the field "End date" is left blank/ empty.&nbsp;Recipients: Customer name incl. contact person and telephone number.

Minimum level(s) of standards possibly required:

Minimum requirements: It is a minimum requirement that the Tenderer has at least one (1) comparable reference which relates to the delivery of maritime simulators, comparable to the description in present tender.

VI.4.3) **Review procedure**

Precise information on deadline(s) for review procedures:

In accordance with the Act on the Complaints Board for Public Procurement, etc. (the law can be found at [www.retsinformation.dk](http://www.retsinformation.dk)), the following deadlines for filing a complaint apply: Complaints about not being selected must be filed with the Complaints Board for Public Procurement within 20 calendar days, pursuant to section 7(1) of the Act, from the day after sending a notification to the affected applicants about who has been selected, when the notification is accompanied by a justification for the decision in accordance with section 2(1), no. 1 of the Act and section 171(2) of the Public Procurement Act. In other situations, complaints about public procurement, pursuant to section 7(2) of the Act, must be submitted to the Complaints Board for Public Procurement within: 1) 45 calendar days after the contracting authority has published a notice in the Official Journal of the European Union stating that the contracting authority has entered into a contract. The deadline is calculated from the day after the day the announcement was published. 2) 20 calendar days counted from the day after the contracting authority has communicated its decision, pursuant to section 185(2) of the Public Procurement Act. At the latest, at the same time a complaint is filed with the Complaints Board for Public Procurement, the complainant must in writing notify the contracting authority that a complaint has been filed with the Complaints Board for Public Procurement, and whether the complaint has been filed during the standstill period, according to section 6(4) of the Act. In cases where the complaint has not been filed during the standstill period, the complainant must also specify whether a suspensive effect of the complaint is requested, pursuant to section 12(1) of the Act. The email address of the Complaints Board for Public Procurement is indicated in section VI.4.1. Guidance on complaints to the Complaints Board for Public Procurement can be found at: [www.erhvervsstyrelsen.dk](http://www.erhvervsstyrelsen.dk). **Note:** Some legal and official terms might be interpreted differently based on their exact context in the Danish legal system, so always consult with a professional translator or legal expert for documents of a legal nature.
